Can you help Wele find the right road so the fire engine can put out the grass fire caused by the disposable BBQ?

## Top BBQ safety tips:

1. Never play near the barbecue.
2. Tell adults that the barbecue must be well away from sheds, fences and trees.
3. Tell adults they shouldn't risk having a barbecue in the countryside as it can easily spread and cause damage.
4. Make sure an adult is always looking after the barbecue.
5. Tell adults they should have a bucket of water nearby, in case of an emergency.

Can you work out which fishing rod has caught the fish?

## Remember to keep safe when you are by water:

1. Always keep away from the edge.
2. Rivers, canals and lakes can be extremely cold even on a really hot day so don't be tempted to take a swim, the cold water can be very dangerous. You should only swim in a supervised swimming pool.
3. Don't take the risk of swimming in open water, under water currents can quickly pull you away from the shore even if the surface looks calm.
4. Call 999 if someone is in danger in the water.
